- DIGITAL E-BOOKS EXPLANATION
 - Some digital e-Book options are instant. As soon as you click “submit order,” your digital e-Book will be available for you to access. When there is an option for a digital e-Book or a textbook, choose one or the other, not both.
 - If you have an instant access e-Book, you will receive an email within 5 minutes, confirming it.
 - Login to your Bookstore account and click on “activate and access e-Books.” Be patient when accessing the first time – don’t click “activate” twice.
 - Note: Most instant access digital books are not returnable after 14 days or after they are accessed. If you might drop the class, wait to access your digital book.
 - These digital e-Books will show duration of 180 days or lifetime.
 - If you purchased a digital e-Book access card (not an instant one) and would like it emailed to you instead of shipped (due to later order, etc.), please put it in the comment section of your order to the Bookstore. **Note: once the card is emailed to you, it is not returnable.**
- When you have finished choosing books and added them to your cart, click CONTINUE CHECKOUT and it will bring you to your SHOPPING CART
- Review all items on the screen; then CONTINUE SHOPPING to add more items to your cart or CONTINUE CHECKOUT

The Account Number required for SFA is your student ID number (also called tech ID). It is NOT the star ID number.

I give Ridgewater permission to deduct my charges from all sources of my Financial Aid. I will pay for book and supply expenses not covered by my Financial Aid. I acknowledge that if necessary I will be pursued for payment through the MN Dept of Revenue (Tax Dept may collect any funds, rebates, etc.) and a collection process by Ridgewater. PSEO Student Only: I agree to return all books and supplies to the Bookstore at the end of the semester or I will be charged the full replacement charges.

The Backup payment method using credit card funds is used only when the order total is not completely covered by your Financial Aid Funds. If you do not have a credit card available for remainder of order not covered by Financial Aid funds, please cancel this order and purchase books in the Bookstore where we can assist you with split payment. Note: You will be able to see what items are covered by your financial aid and modify order if you choose not to have your credit card charged.

- You will be required to give permission for the Ridgewater College Bookstore to use your credit card by clicking the verification box if financial aid does not cover funds or if you are not using financial aid.
- If you are renting a book, you will need to enter a second credit card (can be the same card) to secure your rental book (if rental books are not returned by the due date at the end of the semester or are damaged, your securing card will be charged rental fees). This credit card must be valid (not expire) before three months following the end of the semester (if end of semester is in December, card must be good until end of March).
